EXPECTED RETURN DATE

TERMS & CONDITIONS

1. Permitted Use & Ownership: The Customer acknowledges that the replacement vehicle described above remains the sole property of the issuing provider. The Customer is granted a temporary, non-transferable license to operate the vehicle solely for personal use. Operation by any individuals other than the designated Customer is strictly prohibited without prior written authorization.

2. Vehicle Condition & Return: The Customer acknowledges receiving the vehicle in safe, clean, and roadworthy condition. The Customer agrees to return the vehicle to the provider's designated location on or before the specified Expected Return Date, or immediately upon demand by the provider. The vehicle must be returned in the same condition as received, normal wear and tear excepted, and with the identical fuel level present at the time of pick-up.

3. Liability, Fines & Violations: The Customer assumes full legal and financial responsibility for the operation of the vehicle during the replacement period. This includes explicit liability for all traffic violations, parking penalties, speeding citations, toll evasions, and congestion charges incurred during the possession of the vehicle. The Customer agrees to indemnify and hold harmless the provider from any liabilities or expenses arising from such infractions.

4. Insurance & Damages: The vehicle is covered under a standard automotive insurance policy during the term of this agreement. In the event of any damage, loss, or accident involving the replacement vehicle, the Customer agrees to immediately report the incident to the provider and law enforcement. The Customer shall be liable for any applicable insurance policy excess or deductible, as well as full repair costs for any damages caused by negligence, abuse, or breaches of this agreement.
